

Elisabetta Carrea succeeds Raffael Schubiger as CEO of Swiss Safety Center

06/01/2021 – Swiss Safety Center AG press release

The Board of Directors of Swiss Safety Center AG appointed Dr Elisabetta Carrea to the role of CEO on 1 January 2021. She will assume overall leadership of the company immediately from Dr Raffael Schubiger.

Raffael Schubiger, Director of SVTI, will become the Chair of the Board of Directors of Swiss Safety Center AG and will focus on the strategic leadership and direction of the group, which is made up of the SVTI Swiss Association for Technical Inspections and Swiss Safety Center AG.

Elisabetta Carrea joined Swiss Safety Center AG in March 2018 and successfully led the Expertise Services division and its services and qualifications in the fields of fire protection, environmental safety, occupational safety and integrated risk management. She is a qualified process engineer with many years of experience as a project manager and in human resource management at Swiss and international companies in the plant engineering and energy sectors. In her new role, she will focus on employees, growth and innovation in connection with digitalisation and Industry 4.0.
